The Major League Visits Lodi

The excitement started building around noon, when the first fan stood in line to see the San Francisco Giants World Series Trophies at Hutchins Street Square. The air was friendly and warm, as fans breathlessly awaited the appointed time to be in the presence of greatness.

At five o'clock the doors opens and groups of fans entered the Charlene Lange Powers Theater to watch a short movie. The reel highlighted the exciting, nail biting moments of the World Series games. After which, orange and black clad fans enter to see the trophies and have their pictures taken with the trophies from the 2010, 2012 and 2014 Baseball World Series games.

The World Series Trophy Tour event brought 1,050 Giants fans to Hutchins Street Square on February 11. The San Francisco Giants team emblems and World Series banners decorated the columns and an orange glow engulfed the rotunda dome at Hutchins Street Square. Several of the Trophy Tour Crew were quite impressed and commented that Lodi was the best stop in the tour.

Story continued on page 18.

Dear Parks, Recreation & Cultural Services Patrons,

We're entering our peak season for outdoor activities in Lodi, and I'm happy to say Parks, Recreation and Cultural Services is doing more than ever to enhance the quality of life in Lodi by increasing the number of community-oriented, low-or no-cost events.

Hutchins Street Square will be the host for two new events, Food Truck Mania and Music in the Park. The mobile food truck events will take place the fourth Sunday of each month from May 24 through October, and Music in the Park will be the fourth Wednesday of each month in the west park. Both are free to attend.

Salas Park will be the site of a San Joaquin Certified Farmers Market, from 8 a.m. to 1 p.m. Sundays between May 3 and October 25, as we do our part to promote healthy eating and living.

Thanks to a community effort, Hutchins Street Square will be the hub of activity in Lodi on May 11, hosting not only the finish to the second stage of the biggest professional bicycling race in the United States, but a festival and Breakaway from Cancer walk. You can sign up to volunteer for the event or donate to the cause at www.amgentocloudi.com.

On July 2, the annual Celebrate America performances take place in the west park at Hutchins Street Square, and the Fourth of July at the Lake will have even more vendors and activities this year.

Also in the coming months, we'll be refinishing the wading pool at Lodi Lake Park, installing eight new light poles around the ball fields at Salas Park, to boost light output by 50 percent, and making Hutchins Street Square the perfect place for a birthday pool party.

We're getting ready for a fantastic spring and summer and look forward to seeing you!

Sincerely,

A handwritten signature in cursive script that reads 'Jeff Hood'.

Lodi's Got Talent Sheds Light on Hidden Local Talent

Hutchins Street Square hosted the third annual "Lodi's Got Talent," this past January. Several performers were selected from those who auditioned. When the big night came, a cast of judges selected the top three amateur performers. Their selections earned a trophy and an iTunes gift card. First place winner was Ashley Vicks; second place, Davis Mahoney; and third place Geovanie Brooks. In addition to the judges voting, a new and unique aspect to the show, included audience members having a chance to vote on their smart phones for the "Audience Choice" award winner. The audience choice winner, Rhett Hill, took home an iTunes gift card.

The panel of judges scored the 16 contestants in five areas: Material Chosen, Costumes/Props, Creativity, Showmanship, and Quality. The volunteer judges were local community members: Travis Vega, instructor at Hutchins Street Square and professional musician; Nancy Mellor, musician, Lodi Arts Foundation and Lodi Arts Commission member; Lessie Bond, vice president of Lodi Community Concert Association, and Dave Simmons was the master of ceremonies.

Questions and Answers with the winners.

How long have you been performing and how did you get started?

Ashley: I started performing when I was 8 years old. I struggled with reading terribly, and actually learned how to read through music and line memorization. The first major piece I learned was from Les Miserables and that has been my favorite piece ever since.

Davis: I've been performing for 9 years. I started with Robert Tan and the Lodi Children's Choir.

Geovanie: I've been performing for about 16 years. I was in choir and then moved on to theatre when I was in junior high school through college. I started playing music in my mid-teens then eventually gravitated towards singer/songwriter stuff when I was around 20.

How did you choose the piece you performed?

Ashley: The song "On my Own" is a favorite of mine and I performed it at the Miss Arizona Pageant in 2013.

Geovanie: Grandpa's Gun is my original song that I always like to perform. It tells a story and it incorporates some of my favorites aspects of blues/rock/folk music.

Any other interesting information about yourself?

Ashley: I lived in Australia for a bit, studied theatre in college. I'm a Starbucks barista trainer and my biggest accomplishment as a stage performer so far has been portraying Iago in Othello.

Davis: I love the performing arts, although my passion is in model railroading.

Who is your inspiration as a performer?

Davis: Johnny Cash, because I like the way he performed to the audience.

Geovanie: The artists that inspire me are Jimi Hendrix, Dan Auerbach, Jack White, Josh Homme, and Jason Molina, just to name a few. They write the music that they want to hear and they all paint different pictures with their choices of instruments, lyrics and storytelling.

Peterson Park Tree Planting

On a sunny Saturday in late February the community came together to plant trees at Peterson Park. This tree planting is the final step in the Peterson Park Urban Forest Project.

Over the course of the last year, much work has been done to remove trees that had the potential to be hazardous. Nearly 45, 15 gallon trees were planted by approximately 60 volunteers. Special thanks to the groups that helped plant trees: Tokay High School, Lodi High School, San Joaquin Delta College, Lodi Rotary, individuals from the park neighborhood.

To celebrate the completion of the project, the community celebrated Arbor Day in April at Peterson Park.

Top: The volunteers took a group photo under the Peterson Park picnic shelter before the planting began. Bottom: Lodi High School Students who participated in the tree planting: (left to right) Zoe Merck, Cecilia Lopez, Puneet Dhillon, Tonia Brito-Bersi, Zainab Ghadialy, Maria Garcia, Caressa Salazar.

Sizzling Summer Camps

With the popularity of half day summer camps last year, the Parks, Recreation and Cultural Services (PRCS) Department has brought a wide variety of summer camps to keep your children busy this summer. Special summer camps will include a focus on art, theater, science, technology, sports, and of course fun! All the summer fun will be held at Hutchins Street Square during the prime summer vacation months of June and July.

“We receive a lot of phone calls from the community for programs such as these, and we hope that we are delivering the programs and services to meet those needs,” says PRCS Director, Jeff Hood.

Back by popular demand will be the **Intellibricks Lego** classes. They have added a new level, Mindstorms Robotics. All the classes are new and they will not repeat any projects from last year, so it should make for an exciting summer.

We've developed a new Partnership with **Creative Brain Learning**. They will be offering unique camps in science and technology to include Spy Works Science, rocket building, science, art, video and animation technology.

On the sports side, soccer coaches have flown across the “pond” from England and Scotland to help train your little athletes in the **Euro Soccer Camps**. Need to brush up on your skills before soccer season? These camps are designed to help with just that.

If **art, music or theater** is where your child's interest lies, there will be plenty to choose from with Young Rembrandts drawing classes and a summer children's theater.

These are just some of the exciting camps that will be available this summer. We are expecting these classes to fill quickly, so we encourage parents to register early to guarantee your spot. For a detailed description, please see the Special Summer Camp section on pages 7-9. If you have questions, please call Hutchins Street Square at (209) 333-5511.

Adult Ballet

This class is perfect for adults who have never had ballet classes or for those who would like to begin again after an absence of years. Ballet exercises and steps will be chosen to enhance the fitness and coordination of the adult dancer, while stressful steps and positions will be avoided. Adults who enroll in this class will, hopefully, see an improvement in muscle tone, increase their range of motion and develop an appreciation for ballet. Wanted... Volunteer Coaches

The Parks, Recreation and Cultural Services Department is seeking volunteer coaches to assist with the youth sports programs. Individuals interested in becoming a volunteer coach or an assistant coach may sign-up at the Recreation Office, 125 N. Stockton Street. All volunteers must complete an application and clear a fingerprint background check.

Continued from page 1

The event was free, and guests were asked to make a donation to the Junior Giants, who helped organize the event, and to help raise funds for their program. The event generated almost \$900 in donations for Lodi's Junior Giants program, a free, co-ed sports activity for at-risk youth, ages 5-18, that is run through The City of Lodi's gang prevention/intervention program.

The Junior Giants program is open to all but is geared towards underprivileged youth who are not able to afford to participate in other sports and recreational leagues. Working together with local agencies, families and volunteers, the Junior Giants program reaches into communities and offers youth a chance to learn the basics of baseball during the summer while also discovering the importance of self-esteem and respect. But more important than baseball fundamentals, Junior Giants focuses on the four bases of character development - Confidence, Integrity, Leadership and Teamwork - and offers programs in education, health and violence prevention.

This was such a unique and fun event, Giants fans, young and old, will always remember their experience. For more information on the Junior Giants program visit <http://city-of-lodi.sportssignup.com>.
